### NOTES:

1. You will get only high-quality components in these Alpha-built machines, since we are keen to avoid wasting time (yours and ours) dealing with warranty returns
2. Free installation at your home/office, for some locations in Mornington Peninsula (fees apply for others, ask us for details)
3. We can mix and match the various components for your specific needs(eg larger or smaller HDD, different graphics card, etc)
4. If you tell us your needs (eg high-end gaming, student), we can easily custom-build a machine to fit your needs.

NOTE: Always call for the latest prices, specifications, and availability.
